2. Policy of Decision on Payment of Dividends

Yahoo Japan Corporation aims to achieve sustained growth in corporate value over the medium to long term. For that purpose, the Company recognizes the importance of actively pursuing upfront investments to our services, capital expenditures, and capital and business alliances for future growth. At the same time, the Company recognizes its responsibility as a listed company to recompense shareholders by returning profits to them.

Guided by the above policy, for the fiscal year ended March 2019, the Company decided to declare year-end dividends of ¥8.86 per share, equivalent to a total dividend payout of ¥45.0 billion.

Going forward, while continuing to invest for business growth, the Company will aim to build corporate value by providing an appropriate return of profits to shareholders.
