PayPay Card, Credit Card That Earns PayPay Bonus, Will Open to Membership Applications

- Credit card can be used at card member merchants and on the PayPay app, through linkage with the app
- Number-less card specification for safe use, free from concerns of having the credit card numbers seen by others

New membership page: <https://card.yahoo.co.jp/paypaycard/campaign/pre/> (Japanese only)

PayPay Card Corporation (Headquarters: Chiyoda-ku, Tokyo; President and Representative Director: Tomoaki Tanida) will open to new membership applications for PayPay Card from December 1, 2021, a credit card which earns PayPay Bonus^{*1}, that can be used for payments by PayPay, the cashless payment service.

From December 1, 2021, a special offer will also be available, granting a PayPay Bonus equivalent to a maximum of JPY7,000 for new membership and card use, alongside a campaign granting an additional 1.0% PayPay Bonus for payments made via the PayPay app where PayPay Card is the selected payment method^{*2}.

^{*1}PayPay Bonus is non-withdrawable/non-transferable. Usable in PayPay Card Official Stores.

^{*2}When using PayPay Card on the PayPay app, an update to version 3.21.0 or later is required. The iOS version will be available shortly.

■Main Features of PayPay Card

- PayPay Balance can be topped up using PayPay Card^{*3}. The card can also be added as a payment method on the PayPay app^{*2}, the cashless payment service.

^{*2}When using PayPay Card on the PayPay app, an update to version 3.21.0 or later is required. The iOS version will be available shortly.

^{*3}Top up of PayPay Balance is not eligible for credit point rewards.

- A PayPay Bonus (PayPay Card membership benefit) of 1% of the amount spent will be granted.

When used for payment at Yahoo! JAPAN Shopping or LOHACO, an additional 1% PayPay Bonus (Yahoo! JAPAN Shopping/LOHACO user benefit) and T-POINTS of 1% are also granted (store point/LOHACO point), making the total reward 3%.

- PayPay Card will be added as a payment method for special campaigns and programs by Yahoo Japan Corporation and PayPay Corporation, such as the "Days with 5 Campaign" and "PayPay STEP."

- The PayPay Bonus earned from payment by PayPay Card can be used at PayPay merchants in approximately 3.44 million locations across Japan (as of September 2021).

- Application and screening take as little as 7 minutes. The card is delivered in approximately one week after the screening is completed. The credit card number, expiration date, and security code can be checked online from the member's menu, allowing users to make payments in PayPay^{*2} and on e-commerce websites before the card is delivered.

- Design selectable from vertical and horizontal designs. The card number and security code are not displayed on the card surface, enabling secure usage without concerns of numbers being seen.

- Equipped with contactless payment function allowing speedy payment by tapping the card over contactless-enabled terminals, requiring no signatures or PIN entry.

■About PayPay Card Corporation

After changing its name from YJ Card Corporation, PayPay Card Corporation started operations from October 1, 2021, aiming to become the number one credit card company in Japan.

By strengthening collaborations with companies of the Z Holdings Group, including PayPay, the cashless payment service, PayPay Card Corporation will strive to expand services to respond to a range of payment needs, and improve convenience for its users.

Unless otherwise specified, English-language documents are prepared solely for the convenience of non-Japanese speakers. If there is any inconsistency between the English-language documents and

the Japanese-language documents, the Japanese-language documents will prevail.

[December 6, 2021 update]

When using PayPay Card on the PayPay app, the app must be updated to the latest version. The iOS version is available from December 3, 2021.
